Everybody Come

For years this store has been in constant touch with the country's best Shoe manufacturers, and we have gathered for our trade the best Shoes that our money and our long experience could secure.

It will prove nothing to quote you a string of prices: any store can quote these same prices. Come and see what splendid values in good Shoes we will give you for your money. That's what tells the story.

If we can get you to come once and give us a chance to please you entirely, we are satisfied that, while we ask you to buy the first pair of Shoes, the future will find you buying without being asked.

Modern Shoe Repairing

We repair all kinds of Footwear, and do it quickly. Bring or send your well-worn shoes to us, and you'll be surprised to see how well we can mend them. This is made possible by our modern equipped repair shop. We've welt lock stitchers, edge trimmers, edge setters, and scourers. Electric finishing, buffing and polishing.
